COMMANDER'S CORNER

Hello Legionnaires! Thank you for your attendance and support at our May meeting where we held elections. I am honored to be re-elected as Commander and will continue to try and make our post better each and every day.

Congratulations to the incumbent and newly elected officers.

This year I will be creating a Finance Committee and a Building Maintenance Committee. I will be asking five or six individuals to be on each committee. The Finance Committee will focus on our finances and make recommendations as needed.

The Building Maintenance Committee will focus on needed repairs and make recommendations as needed. If you have any interest in serving on either committee, please reach out to me personally. At each monthly committee meeting, we will produce meeting minutes and provide them at our General Meeting. I look forward to your support.

June is a busy month. Besides our normal activities, I would like to highlight a couple of events. Sunday June 14th, we will have a flag disposal ceremony starting at 3pm. On Saturday June 27th, we will have an outdoor cleanup starting at noon. We want to focus on the back area where we will have our 250th 4th of July party.

Until next time, I leave you with this thought: "Don't be pushed around by the fears in your mind. Be led by the dreams in your heart." —Roy T. Bennett

AUXILIARY HEADLINES

As I begin this new year serving as President of the American Legion Auxiliary, I want to extend a heartfelt welcome to our new board members and a warm welcome back to both our returning and new Auxiliary members.

I am truly excited for what lies ahead! Every new year brings fresh opportunities to grow, serve, strengthen friendships, and continue supporting our veterans, military families, and community with pride and purpose.

Thank you to everyone who steps up, shows up, and makes our Auxiliary such a special organization. I'm looking forward to working alongside each of you, building on our traditions while embracing new ideas and creating a year filled with success, laughter, and meaningful memories.

Here's to good changes, continued prosperity, and making this one of our best years yet!

Until next time here's some famous words of wisdom...

SQUADRON NEWS

Well, well, well hello and let's go!!! Thank you to everyone that showed up to our monthly meeting/elections this year!

The Sons of The American Legion are pumped up about 2026/2027, and you should be too! We've got an amazing horseshoe tournament coming up August 8th in support of The Scottish Rite Hospital, and yes, we still have the annual golf tournament in October that WILL HAPPEN this year rain or shine.

Our dinner for June will be gumbo OR crawfish nachos with a side of hush puppies for \$10.

This time around is going to be packed with MORE events, MORE socializing, MORE fun filled with family entertainment, and definitely MORE of an increase in memberships!

Until next time here's some famous words of wisdom...

RIDERS REPORT

Howdy Riders! Well, it's June and we are into some great riding weather between summer showers. Thank you to all that could "Ride the Wall" on Memorial Day. There was a Texas Congressman attending and he mentioned our Post 310 Riders on his Facebook. Great PR for our group.

I appreciate the attendance and all the support we had at our last meeting for elections. Congratulations to the incumbent officers and a big shoutout to the two newly elected officers. Grace Cato as Historian and Ray Rapp as Road Captain.

As I write this, our plaque is sitting on Post 424's shelf. We need to brave Interstate 20 again and head up there. I have seen a lot of activities on the Capture the Plaque Facebook page and it's due to the great riding weather. Once we get it back, we need to go on the offence and capture a few.

As we all know, some of our members are on the mend and are stuck at home for a while. Let's keep reaching out to them and make sure they know that they are missed. Prayers for their speedy recovery.

Until next time, I leave you with this thought:
