COMMANDER'S CORNER

April has arrived! My how time flies. We had another successful Commanders Night! From grilling 40 to 50 steaks, we have done 80-90 of the last two events. This is just wonderful. Although we don't make very much money from these events, we are providing a service to our members, and it seems to be giving us some fresh attention.

As part of that process, we had karaoke on the last Steak and Shrimp Night which was extremely well received. Our members voted to have entertainment on the first Saturday of the month. We have already booked DJ Cherry Pie Karaoke for April, May, and June. If you have any other entertainment you would like to see, just contact any Post Officer and they will get your information to the appropriate folks.

A final reminder that our elections are in May. Our April meeting will be the last scheduled meeting for normal Post business. Typically, the May meeting is closed to normal business, so the elections take priority. Don't forget, on meeting days there is a big, delicious breakfast prepared by one of the Post entities, so join us and enjoy!

Until next time, I leave you with this thought:

AUXILIARY HEADLINES

Thank you all who attended the meeting and voting for what you would like to see us do. Welcome to our new members we would appreciate yours and all Auxiliary members to attend our meetings and our functions. We appreciate all the help you provide to help us succeed in all we do.

At the beginning of April, we will put up a sign-up sheet for officers to be voted on. If you would like to help us out to continue to be an active unit, please sign up for an office. We do have a book that states what your duties are for the office you would like to fulfill.

We are having a rummage sale on April 13th from 8am to 4pm, and again on the 14th at 12 pm to 3 pm. Please bring your donation after steak and shrimp night and please have them priced.

I encourage all that have something to say about how the unit is being handled to come to the meetings and voice your opinion and if you don't like what is happening and if you don't show up at the meetings to voice that opinion then you should not be in the bar area speaking about what is happening because you really don't know because you did not attend the meetings. so, spreading false rumors only makes you look bad.

RIDERS REPORT

Howdy Riders,

We had a great meeting this month, thanks to everyone that could make it. We missed ya'll that couldn't. I hope everyone was able to see the deuce and a half Glenn and Jane purchased. It sure looked good up at the post advertising our burger night. We sold out of burgers in an hour and 15 minutes. Can't wait to see it in a parade with our ALR banner and our riders following behind. Great job Jane and Glenn, we salute you for your dedication and involvement in the ALR!

Saturday April 13th KSU 10 am to deliver supplies to the Kaufman Children Shelter. Glenn will drive the deuce and a half, and we will follow. The kids will be impressed, heck, I'll be impressed. More rides are to come as weather permits. Keep an eye on our GroupMe texts.

Don't forget, the Annual Texas ALR Rally will be in Mt Vernon June 14-16. I plan to attend just the Saturday which has the main events. KSU at the post 8am if you want to attend. Register online by April 1st if you want a Rally t-shirt.

SQUADRON NEWS

Good day, first let me start off by saying thanks to all who attended our meeting last Saturday, it was a great meeting. A lot was discussed and we are moving forward with a lot of progress within the membership, trying to get a lot of things rolling for a great membership perspective, but we could use more support at these meetings on things being discussed and maybe more new ideas.

With that said, I would like to let everyone know that our Friday night meals being cooked are looking up, but we need some support from the membership in helping with the preparations and serving of these fantastic meals being provided. I encourage our membership to get on board.

It's not too far off that elections are just around the corner, they take place in May at the next big meeting, so please try to attend and get your voice heard on the next selection of officers. We are desperately looking for some new faces and hopefully some new ideas on how to improve our membership rolls. With that said I will leave you with this thought.
