COMMANDER'S CORNER

Well, the changes have already started. ALR provided a hot breakfast for our January meeting. Delicious sausage, biscuits, and gravy. You all asked if we could start that service again and all entities have agreed to rotate cooking responsibilities throughout the year on meeting day. We Legionnaire's have our turn behind the stove in April.

Another change is a post-birthday celebration on the second Saturday of every month from 5 pm to 8 pm. And don't forget Valentine's Day is coming up on the 14th. Nobody should forget their special someone on that day. Ever. Plans are also afoot to celebrate February 29th, for our leap year. More details to follow.

Looking a little further down the road, we will begin preparations for the Boys State program and our post elections are not that far away. All Legionnaires who enjoy our Post need to consider volunteering their time to keep us in good shape. Looking forward to seeing you all at the next meeting. Have fun out there!

Until next time, I leave you with this thought:

AUXILIARY HEADLINES

Thank you to all who showed up to the meeting and participated in the voting of our newest members: April Toler, Tracy Payne, Chelsey Ellis, Carolyn Podell, Brenda Shaver, Kristi Sides and Carol James-Norman.

Welcome and as you all may know we had two positions open, and they are President and First Vice. We held elections for those positions and the officers that were nominated and elected were President-Michele Johnson and First Vice-Sandra Milton. As we turn a new page we look forward to your help and participation in supporting your Auxiliary.

February's dinner will be Chicken and Dumplings with Rolls and Dessert prepared by Colette Greene, February's meeting we will be responsible for cooking breakfast prior to the meeting, and we will be having Breakfast Casserole with a side fruit dish and all support and participation will be appreciated.

We would love to see everyone in person for all our future meetings and activities to help us succeed in all we are required to do; we need one or two volunteers to go to the schools and find students interested in attending Girls State this year. Thank you for your continued support.

President

SQUADRON NEWS

I hope everyone has recovered from the holidays, rest up, and get ready for what we expect to be an even better year. We have a new member, let's all welcome Robert M. Rogow to our squadron.

Together, we can make Post 310 stronger, an organization that will be noticed for the good things it spreads. Keep striving to be better, be the one to start a positive reaction.

Thanks, and God Bless
