## COMMANDER'S CORNER

Election time is here. I hope the spirit of volunteerism is strong and we have an excellent turnout. There will be some significant openings this go around that we haven't worried about in the past.

Most notable is the retirement of our Finance Officer. Chuck Andrews has decided to give up the green eyeshade and take a well-deserved rest. Chuck has been tending the books and playing the part of Mr. Fixit at our Post for years and years now. To be clear, Chuck isn't leaving, just taking a break from official duties. When you see him, take a moment to shake his hand and say thanks.

Thanks also go to Nick Johnson who is once again heading up our Mother's Day Luncheon. He will be preparing chicken enchiladas, salad, rolls, and dessert. For the low, low, price of \$10, everyone can join in, but MOMS EAT FREE!!!

A personal thank you to all the men and women of Post 310 who made my time as Commander so much easier. Too many to mention by name, but hopefully over the course of the last year I have expressed my thanks to each of you.

**MOST IMPORTANTLY**, let us remember all who served and now live in our memories this Memorial Day. Thanks, Pop.

Until next time, I leave you with this thought: "You've got to get up every morning with determination if you're going to go to bed with satisfaction." —George Lorimer

Howdy Riders,

We had another great burger night, thanks to all that could help. I think the advertisement is really helping. The trip to the children's shelter was a fun one. The children had a blast climbing on our bikes and all over the deuce and a half truck. The staff was very appreciative of our donated supplies.

Let's paint the cannons! Saturday April 27th at 11:00 am., bring your own brush. A shout out to Eva and Robert: Enjoyed the time you spent here this summer, thank you for all the time you rode with us. Safe travels to WY and we hope to visit soon. Welcome new member Lonnie!

Elections will be at our May meeting. Sign up for a position, come out and Vote!

Don't forget, the Annual Texas ALR Rally will be in Mt Vernon June 14-16. I plan to attend just the Saturday which has the main events. KSU at the post 8am if you want to attend.

## RIDERS REPORT

## SQUADRON NEWS

Good day, let me start off by saying thanks to all who attended our meeting Saturday, it was a great meeting. A lot was discussed, and we are moving forward with a lot of progress within the membership support, we are trying to get a lot of things rolling for a great membership perspective, but we could use more support at these meetings on things being discussed and maybe more new ideas.

I would like to welcome our newest members to the Squadron, let's give a warm welcome to Ken Titland, John Wroblewski, Pat Welsh, Norman Perry, & David Carpenter.

It's not too far off that elections are just around the corner, they take place in May at the next big meeting, so please try to attend and get your voice heard on the next selection of officers. We are desperately looking for some new faces and hopefully some new ideas on how to improve our membership rolls.

Just on a side note, the dart board has been set up with internet access and players can play against other players around the globe?

With that said I will leave you with this thought.

"Individual commitment to a group effort—that is what makes a teamwork, a company work, a society work, a civilization work."—Vince Lombardi

Thanks, and God Bless
