Thank you all who attended the meeting. On August 10th from 2-5 pm there will be a celebration of life for Linda Clark we are asking for your support to provide Dessert. We have voted to have another rummage sale Sept 28th and 29th proceeds to go to cancer research so please keep us in mind if you had items you would like to donate thank you. We are still taking donations for school supplies in the form of supplies or monetary donations.

Thank you all who continue to support us. Our meetings are open to all members, and we would love to see you attend the meeting so we can hear your thoughts on what we can do to improve our community. Our meetings are held on the third Saturday of each month at 11:00 am. Please plan to attend.

Thank you all for the support of the queen of hearts. We are still in need of volunteers to help keep this going if you can volunteer from two to three pm to sell tickets, please let us know we have this drawing on every Sunday and need support to keep this going. There will be a sign-up sheet for volunteers to take a Sunday to help us out. Thank you for your support.

SQUADRON NEWS

Good day, let me start off by saying thanks to all who attended our meeting Saturday, it was a great meeting with great support, let's keep it going and make it stronger. A lot was discussed, and we are moving forward with a lot of progress within the membership support, along with some awesome events being planned, but we could use more support with these things being discussed and maybe more new ideas.

I would like to welcome our newest member to the Squadron, let's give a warm welcome to John "Ed" Porterfield.

A big thanks to Christopher Saunders for stepping up and filling our position as Historian as always he will do great things with our public events and public relations, once again thanks Chris.

Our Friday night meals are becoming very successful, along with the support from our members, and I would like to take this opportunity to thank each and everyone of those volunteers, it takes a strong person to show up, step up and ask what can I do or what would you like me to do. Once again thanks for all that support.

Until next time, I leave you with this thought:
"The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack of will."

Thanks, and God Bless
