COMMANDER'S CORNER

Hello Legionnaires! Thank you for all the support you have given me over the last year. Elections are in May at our general meeting which falls on the 16th. Sign-up sheets have been posted around the canteen. Please sign up if you are interested in running for a legion officer. I will be running as Commander again and would appreciate your vote. We have a great post, and I will continue to strive to make it better as long as you will want me as the Commander. Please come out and voice your opinion, voting is the best way to do so.

As most of you know, one of the air condition units in the banquet hall has been non-operational since last November. We decided not to repair it until we needed it in the summer. That time has come and we received three bids for the repair. The best bid was for \$8,690. A big shout out to all the entities for donating \$2,400 each for the repairs. The Auxiliary, Sons and Riders have really stepped up to support the post, as usual.

We had a large showing for the Commanders appreciation lunch last month. Thank you to everyone who provided a side dish. As usual, the help in the kitchen was spectacular and I appreciate everyone's participation.

The nation's 250th birthday is coming up on July 4th. We are planning a big celebration out in the back section of our post. Water slide, hamburgers, hotdogs, and horseshoe tournament. Bring your friends and family.

Until next time, I leave you with this thought:

AUXILIARY HEADLINES

Thank you to all who have attended our meetings all year. You are the people that know everything we do and how to do it. May meeting is on the 16th and it's time to vote for officers.

I have enjoyed my time as the president, and I would like to Thank each and every officer and members that attended the meetings all year long and look forward to helping the incoming president with all the things the Auxiliary must do to keep our charter.

Theresa is a sign-up sheet under our tv so please sign up and help the incoming administration.

Until next time, I leave you with this thought:

RIDERS REPORT

Howdy Riders. I really want to thank the riders for the large donation for the banquet hall air conditioner replacement. This shows how much you are dedicated to the post.

Elections are coming up at our meeting in May. A sign up sheet has been posted on the ALR cabinet, please sign up if you are interested in serving as an ALR officer. Don't forget that our meeting will be the second Wednesday, which is May 13th. I will be running for Director again and would really appreciate your vote. We have a great group of Riders, and I believe we can only get stronger as a group.

Thanks again for all the support. Our burger night keeps getting better and better. Numerous people keep coming back and have stated how good the burger is and the great value for the entire meal.

Let's keep our members in your thoughts and prayers. We have a few that are going through some issues, and we pray for the best,

Until next time, I leave you with this thought:

SQUADRON NEWS

I want this opportunity to apologize for this month's meeting, Fiasco, as I was not present due to some personal issues. I want to thank everyone who did show for the meeting and extend my deepest apology for not informing those present.

Congratulations to our winner of the \$500 discount tire gift card raffle, Ms. Boo with our Auxiliary squadron!

Our dinner on May 15th will be Chili Dogs, Chips and Dessert for \$6.

We are selling post 310 T-shirts, see our display hanging in the canteen area price is \$30 and they are behind the bar area ask an SAL officer or the bartender for assistance. We're also playing with the idea of a horseshoe tournament, sometime within the next couple of months, so stay tuned!

Until next time, here's some famous words of wisdom...
