COMMANDERS CORNER

Hello Legionnaires! Last month the SAL had the horseshoe tournament and raised a lot of money for charity. At the same time, we had a membership drive and had a few new members sign up. Thank you to all that participated and helped out!

As most of you have probably seen, we now have an ATM cash machine in the post. Thank you, Chuck, for heading up the effort in obtaining it. Now that we have an ATM, the membership voted to have a maximum of \$20 per day per person cash back from the bartenders. This allows us to manage our cash better and helps us from running out.

I have been getting complaints about the smoke level in the canteen. Almost every time I come to the post, I find one or more of the smoke-eaters are either turned off or are in the low setting. The three machines need to be always left on in the high-speed fan position. Please folks, I don't want to have to start monitoring the cameras and having to take any kind of disciplinary action.

Football season is finally here, and I couldn't be more excited! There's just something special about this time of year - the cooler weather, the rivalries, the Saturday college games, and of course, Sunday football. It's also a great time of fellowship at the American Legion. Whether you're cheering for the Cowboys, or another NFL team, or your favorite college, football gives us another reason to get together, enjoy some friendly competition, and spend time with our Legion family. I encourage everyone to come out to the Post, catch a game, enjoy the camaraderie, and support our activities.

The legion meal on Friday September 25th will be Bratwurst sausages, sauerkraut, German potato salad and a dessert for \$8.

Until next time here's some famous words of wisdom...

AUXILIARY WRITEUP

Hey there Auxiliary family! As we head into the new season, we have some great events coming up and would love for you to join us. Please come out on Friday, September 11th from 5:30 PM to 7:30 PM for a delicious dinner. For just \$8, you will have your choice between a taco salad or a loaded taco tater, complete with dessert.

Because this September 11th marks the 25th anniversary of the World Trade Center towers collapse, we want to take a moment to honor the day by hosting a bake sale that evening alongside our dinner. All proceeds will go directly to support our local firefighters. If anyone would like to contribute baked goods to help the cause, your generosity would be incredibly appreciated!

Looking a little further ahead, let's gear up for our fall rummage sale coming up October 9th through the 11th. If you are doing some cleaning out, we will gladly start welcoming your donated items on October 5th. Heads up for a little added fun with be the SAL "Ring in the Fall" Horseshoe tournament! That Sat. Oct 10th!! Also, as a quick reminder, don't forget to join us for our Queen of Hearts drawing every Sunday at 3:00 PM.

> "A balanced diet is a cookie in each hand." - Barbara Johnson (be sure you grab two for each hand at the bake sale!)

Thank you all for your continued support, and we look forward to seeing you soon! If you aren't a member already, feel free to ask us how to join! Bring on the Fall!

RIDERS REPORT

Howdy Riders! Hydrate, Hydrate and Hydrate. This time of year, is not the best for us Riders. I've been riding to work a couple of days a week, and it feels like I'm in a convection oven.

I can tell you I'm more than ready to see these hot Texas days give way to some cooler riding weather. I'm looking forward to getting back out on the road, enjoying the fresh air, the fellowship and the freedom that comes with every mile. There's nothing better than riding alongside good friends while representing the American Legion and supporting our Veterans and our community. Cooler days are coming, and I can't wait to get those bikes rolling and put some miles behind us.

The trip to Sundance, WY to see our members Eva and Robert, went well. The low to mid-eighties temperatures with no humidity was a blessing. We tried to bring the weather back with us but failed. We had some great rides and always had good company. They said to say hi to everyone and all are invited next year.

I have heard great reports about the breakfast rides. Thank you, Ray, for being so active, keep it up. Everyone is enjoying the rides and the breakfast locations.

On Saturday September 19th at 9:00 AM, we will be serving breakfast before the Legion meeting. We will be serving our standard breakfast of two eggs, cooked to order, sausage, hash browns, biscuits and gravy for \$6.

Until next time here's some famous words of wisdom... "I don't really feel like going for a ride today. Said no motorcycle rider ever." — Anonymous
